# MINISTRY UPDATE

Happy belated Chinese New Year! We'll be sharing some exciting updates about what God's been doing through YWAM Gateway, and how you can partner with us to continue this incredible work. We're believing for a year filled with blessings, both for our ministry and for you!

2024 has been a year when we have seen another level of growth and development of our ministry.

Last year in March, we wrote about the excitement we had over the many doors the Lord was opening for us; in our local outreach, global outreaches and in the ministry to the underprivileged

## Teaming Up with Feeding Hong Kong!

One of those developments is with Feeding Hong Kong. We're thrilled about this collaboration, which brings immense blessings to our community. Through this, we can support Feeding HK in their mission of reducing food waste and provide diverse food options and ingredients for our community, significantly benefiting our Not Ignored friends in Hong Kong. It's a win-win situation, and we can't wait to witness the positive impact on our community and Chai Wan!

# Exciting Times... ...Exciting Move

We have experienced growth over the past few years in staff, volunteers, participants in our training programs, and the number of people and organizations we serve and partner with. The reality is that the current premises is limiting this growth and expansion.

To serve our community, both locally and across the nations, in a greater capacity, we are 'Enlarging our tents'.

After 15 years in our current space, we're moving to a larger space in the same building in April 2025. This new space will accommodate our continued growth. We are incredibly grateful for this opportunity and have felt God's peace and guidance throughout this process.

# Invitation

As our financial year ends in March, we, like many organizations, invite our community to consider a year-end contribution.

Beyond a one-time gift, we also invite you to become a regular, monthly supporter of YWAM Gateway. This will help significantly as we are stepping into a new season of expansion.

Even a small monthly donation makes a difference. Thank you for considering and for your continued support.

# DTS Outreach & Graduation!

Our DTS outreach team just got back from an impactful 5-week trip to Vietnam and Thailand! We celebrated their return and graduation on February 13th, hearing amazing stories of what God did through them. They shared powerful personal experiences and the incredible things they learned. For more in-depth tales of their adventures, don't forget to follow our social media!

## Milena - Puerto Rico

Through this DTS, I see God as my God and not as the God of my parents. I've experienced God on a deeper level. I also have a better understanding of my purpose and calling, which is worship / music, missions, family in missions and next generation. I will follow my calling and purpose that God gave me.

## Stephanie - USA

During the outreach, God challenged me to see people around me through His eyes. I would ask my Heavenly Father, how do you see them? And then I would feel a deep love for these people and I would see glimpses of how God sees them. In this, I wasn't trying to love from my own understanding and effort, and it also brought healing and taught me how to see my own family and myself from God's eyes.

## Victoria - USA

Looking back at my life when I started the DTS, my worldview is really different now. I don't live in nearly as much doubt and fear I used to live in and be influenced by. I also have so much more clarity in regard to my calling, gifts and a much fuller picture of God's plan for my life.

# Serving the Next Gen at the APLG

Serving the next generation of missionaries is always a delight, and we were privileged to lead the children and youth program at the Asia Pacific Leaders Gathering (APLG). We're praying that God continues to guide and direct their paths.

Our own ministry leaders also attended the conference. It was wonderful to connect with YWAM leaders from different nations and regions and to hear testimonies of God's move globally. It was a time of friendship building, partnership forming and faith strengthening.

# Sharing the 7 Spheres with Local Churches

We had the privilege of sharing about the “7 Spheres of Society” at Mandarin Bible Church and The Living Stone Church of Hong Kong, both before and after Chinese New Year. These sessions aim to inspire our Christian brothers and sisters to serve God faithfully in their workplaces and communities. If you wish to invite us for programs, preaching, or worship leading, feel free to reach out!

"I am like a sharp arrow in his quiver."  
(Isaiah 49:2b)

# PCYFM is Back!

Get ready! We're launching our 4th Principles for Children, Youth, and Family Ministry School (PCYFM) this April!

For more information, [visit our website](#).

We hope to see you there!
