MINISTRY UPDATE

Thank you for taking the time to read about what God is doing through YWAM Gateway! Your prayers, support, and partnership mean so much to us. Together, we're seeing His Kingdom advance in powerful ways—locally and globally.

NOW TO HIM WHO IS ABLE TO DO IMMEASURABLY MORE THAN ALL WE ASK OR IMAGINE...”
(Ephesians 3:20)

In our February update, we briefly mentioned our upcoming move to a new facility.

*Now, we're thrilled to share that on **February 28th**, we signed a formal agreement for a **three-year lease with an option for another three years!** This marks an exciting new chapter for YWAM Gateway.*

For years, we've prayed and taken steps toward securing a permanent home. Initially, we pursued purchasing our current facility, where we've served since 2010. Though we came close several times, God kept guiding us. As our ministries grew, we realized even our current space wouldn't suffice and would be needing another premises to facilitate our growth.

Surrendering our plans to the Lord, He opened the door to a *12,000+ sq ft facility*—a former showroom and office space.

This allows us to move in immediately while prayerfully planning renovations to support:

- **Discipleship and Training Programs**
- **Global Missions and Outreach**
- **Local Ministries:** Not Ignored, Youth Outreach, Ethnic Minorities, Music Production and Live Worship Events, etc.
- **Enhanced Capacity** to receive and distribute donated food, becoming a beacon of hope in Chai Wan.

This *new space* will be our **missional community centre, training campus**, and **base of operations** for our growing missionary force and where people can encounter God's love.

A Step of Faith

This expansion is a step of faith, and we acknowledge the increased overhead, including rent and fees. We've witnessed God's provision throughout 18 years of the ministry, and we trust in His continued faithfulness.

Reaching Beyond Borders: A Testimony from Vietnam

We're not only committed to local ministry but also to answering God's call to reach the world. Our recent Vietnam outreach was a powerful reminder of His heart for the nations. Let us share a touching testimony of our last bike trip:

The Sad and Lonely Man

One morning, while praying, the Lord gave us the image of a sad and lonely man. Later that day, as we were riding the bikes, our leader felt prompted by the Lord to follow a road that seemed to be going to a large, abandoned house, formerly an event venue.

As we kept on riding, a man came across, telling us that he was the security guard of that place. You could see the sadness in his eyes, but also how much God loves him. He led 19 bikers to such a remote place to find him!

We shared the gospel with him, and he was very attentive and open.

We told the man how much Jesus loved him, saying that God had brought all of us towards his house. The man's eyes were filled with tears. We prayed for him and blessed him in Jesus' Name!

God is moving in Vietnam—and around the world. Thank you for supporting YWAM Gateway as we continue to go, partner, and serve globally, sharing His love wherever He leads.

Oral Mother Tongue (OMT): Bringing the Bible to Every Language

“The biggest vision I could ever imagine is to get the Bible and the message of Jesus in every language on earth.”

Loren Cunningham, Co-Founder of YWAM

In December, we shared our vision to begin the Oral Mother Tongues (OMT) Bible translation for the Sedang people of Vietnam’s Central Highlands. This groundbreaking work is now underway, and we’re excited to share the process and progress!

HOW OMT WORKS:

Language Found

Identifying a suitable language

Recruit Translators

Find 3 bilingual individuals

Study Scripture

Analyze a chapter or book

Audio Translation

Read and translate verses

Review Translation

Collaborate on accuracy

Community Approval

Ensure translation is accurate

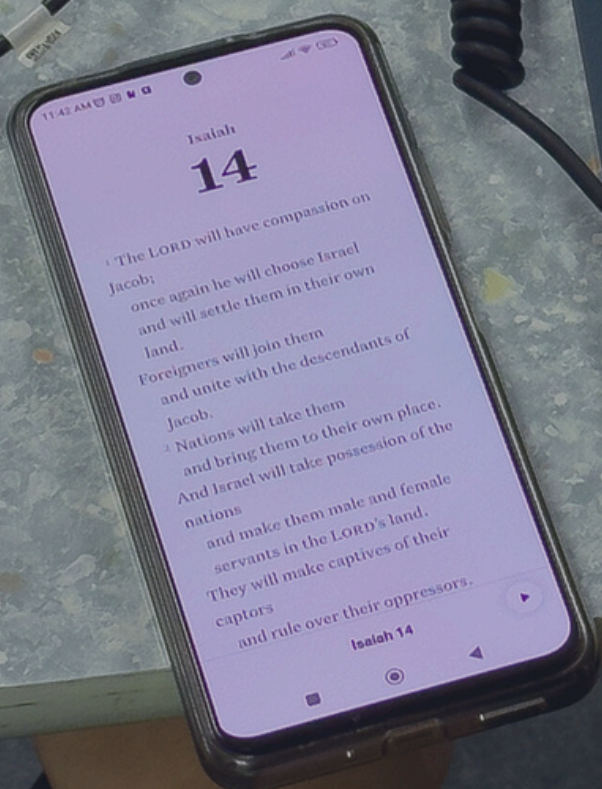

PROGRESS SO FAR.....

During our last trip, we left the Sedang community with audio translations of John 1:1-18 and John 3:16. For many, it was the first time they heard God's Word in their heart language—some smiled with joy, others wept. This is just the beginning!

PRAYER NEEDS...

- **Hosting the Translation:** Finding sustainable ways to continue the work locally, as long-term stays in Hong Kong or Vietnam are challenging.
- **Partnerships:** Connecting with local believers who can be trained to lead and host the translation process in their own country.

*This is not a matter of **IF**, but **WHEN** and **HOW**. Together, we can bring the Bible to every language, one step at a time.*

JOIN US IN THIS SEASON!

We invite you to *prayerfully consider* partnering with us through:

- **Monthly support** for operational expenses.
- **Financial contribution** toward renovations.
- **Specific support** for individual ministries.
