

A large group of people, mostly of Asian descent, are seated at long tables covered with white cloths in a well-lit dining area. They are smiling and waving at the camera. The room has a modern, open-plan design with a high ceiling and recessed lighting. Two large digital screens on the floor display vibrant, colorful abstract patterns.

MARCH

MINISTRY UPDATE

CELEBRATING ONE YEAR IN OUR NEW FACILITIES

It has been nearly one year since we received the keys to our third-floor ministry center! Looking back, we are amazed by how much God has done through it and how He has provided more than we could have ever imagined.

BREAKING

NEW GROUND

Our facilities have allowed us to host events and activities that were simply impossible before.

**BECAUSE OF THE SPACE WE HAVE NOW,
WE WERE ABLE TO PUT TOGETHER:**

LARGE-SCALE COMMUNITY MEALS

During the Winter Solstice and Chinese New Year, we have hosted two dinners for 50+ beneficiaries and 15+ volunteers and staff on each occasion.

Our team organized, cooked, served, and hosted the dinners. This level of hospitality was never possible in our old facilities.

LARGE LOCAL OUTREACH WITH SCHOOLS

We recently hosted a community service program for a local school, welcoming over 50 students and teachers.

While we have hosted large groups before, our new layout made it feel comfortable and easy to manage, allowing us to focus entirely on the students.

SIMULTANEOUS MINISTRY

We were honored to premiere the new YWAM movie, 'Go Africa,' to an audience of 85 people from across different churches and organizations.

The night concluded with a powerful prayer time for the persecuted church in Nigeria, held alongside a dedicated children's program and interactive prayer stations for Africa in a separate room.

DIVERSE PROGRAMS

From our New Year's Eve praise party to afternoon movie showings for Pakistani families, we are serving the Chai Wan community in deeper and more welcoming ways.

As we look to the coming months, we are focusing on further improving our stage and production hardware to enhance these gatherings.

Through generous financial gifts, in-kind donations, and other support, we have improved our facilities with

IMPROVEMENTS

- BETTER KITCHEN EQUIPMENT
- ACOUSTIC PANELING
- A HIGH-QUALITY SOUND SYSTEM
- AN LED WALL

PROVISION

WE HAVE ALREADY

SEEN GOD'S

This past month, two restaurants donated several high-quality, second-hand items:

- ✓ Fridges
- ✓ Coffee Machine
- ✓ Worktops
- ✓ Oven
- ✓ Cutlery
- ✓ Food Processor and more.

We are so grateful for how far we've come, and we invite you to continue partnering with us in the next steps in the renovation process.

Our vision is to see the plans we have for Unit A of our Ministry Center, where our small kitchen currently functions, come to reality!

RENOVATIONS AND IMPROVEMENTS TO UNIT A WILL INCLUDE:

 A FULLY EQUIPPED KITCHEN AND EXPANDED STORAGE

 A DEDICATED DINING AREA

 ADDITIONAL RESTROOMS AND EASY-ACCESS TOILET

 UPGRADED AIR CONDITIONING AND VENTILATION (REPLACING OUR AGING AND UNRELIABLE SYSTEMS)

 ENHANCED STORAGE FOR NOT IGNORED DONATIONS, SPECIFICALLY FOR FRESH, FROZEN AND NON-PERISHABLE FOOD

 IMPROVED OVERALL INFRASTRUCTURE TO SUPPORT OUR DAILY OPERATIONS

BEYOND OUR WALLS: SERVING THE HEART OF HONG KONG

While our new centre is a blessing, much of our work happens directly in the community.

Through Not Ignored, we continue to serve Chai Wan through regular food distribution, festive outreaches, and Christmas concerts, ensuring our neighbors are seen and cared for.
